<https://www.youtube.com/c/udemy>

## **Codepen**

<https://codepen.io/>

*for frontend dev, a very good resource : source code and visual at the same place*

## **Medium**

<https://medium.com/>

*medium articles are really good also*

*love medium articles*

*medium has to be taken with a grain of salt however, because it is effectively a blogging site, the information is not regulated*

## **StackExchange**

<https://stackexchange.com/>

## **Bootstrap**

<https://getbootstrap.com/>

freecodecamp
